Vice-Presidential Candidate Stevenson's Letter of Acceptance.

Democracy ticket just before the registration children. Cleveland, but wanted to vote an anti-time there were their children, the Misses and a native of New York. He gave his adhieve the last day's enrolment proved a surprise to Coles, two pretty girls of sixteen years.

ciaim—it will be the last of independent mysements or side issues in Presidential elections.

Ex-Register John Reilly, Tammany leader of the Tenth District, and ex-Excise Commissioner William Pitt Mitchell are among those who see hoperal signs in the registration. It is fully says that large numbers of Republicans and not register in his district.

Mr. Reilly says that large numbers of Republican fix the districts surely Democratic.

Mr. Mitchell has looked over the registration by a districts and finds that it is very large in the district surely Democratic.

Mr. Side he. "Of course it is somewhat closes to be light in the despite surely Democratic.

Mr. Side he. "Of course it is somewhat closes in the registration is on the topulation distinct to estimate, the boundaries of the registration is on the topulation side, and the registration is on the topulation of the registration of the registration of the registration continued in the law seed to the registration of the registration continued in the law seed to the seed of the registration of the regist

Mr. Stavenson's letter of acceptance, pub-sined this morning is regarded as a timely ampaign document. It was invocably com-lented on on all sides, as absolutely agreenearter on on all sides, as absolutely agreeding to the positions and conclusions of Mr. a rectangly the same results by different lines of reasoning. It dispose conclusively of the statement that there was a avergence of opinion between the candidates.

Democratic merchants and fluanciers were large on the financial question, which, wover, were only a retteration of what evenson said three weeks ago in his first five expressing communication on this point ith Mr. Cleveland's written acceptance. Charman Dickinson said it was an excellent in characteristic letter, plain, direct and receful like the writer of U.

GEN. STEVENBON'S LETTER.

Emplatic Utterances on the Tariff and

Gen Adlat E. Stevenson's letter of accept. Bishop Fowler Thrilled and Shocked ance of the Democratic romination for Vice-President was made public to-day. The Regarding the Republican system of high

protection. Gen. Stevenson speaks plainty.

"Whenever the power of tax atten is used to draw tribute from the many for the benefit of a few, or what part of the people are optressed in order that the test may prosper to duty, equally is lost sight of, junitice hardens into precedent which is used to excuse the sections and then are says artificial disnew exactions, and then artse artificial dis-tinctions which the beneticaries come to look upon in time as vested rights, sacred to

liok upon in time as vested rights, sacred to the most upon in time as vested rights, sacred to the most upon in time as vested rights, sacred to the collars of money is subscribed to without reservation or quantification.

Of the force this den. stevenso a says: "Its importance cannot be overrated, it means the control of the sheetston of Representatives in tongress by the bayonst. The Republican party stands plenged to the painings of this limit that it will pass it when it has the power as sage man can doubt." The effective of a sorce bill into law, while it would introduce the interest of the entire propie, would retard the material growth of the states at which it is specially aimed, would include the many commutations race tradbers and myne retailed try legislation. "The entire of good recling and renewed commercial relations, commencing with the circulation of Matthewing in 1884, should not be interrupted by the imaguration of a policy valed reads to destroy popular representation and the purity of the recal set, government, which increases an instrument to discretely rederal power to recreat results. hent, which introllers an instrument to dis-credit Foderal power to perpetuate itself, which some to keep alive sections jet onside and arriv, which threatens important com-mercial interests, and which offers no excluse of publishin for its existence, except the principality in a power of a political party which has lost public confidence.
